

13th Annual Longwood Community Garage Sale

Start cleaning your closets, your attics, your garages and get ready for the Longwood Fall Garage Sale. Start collecting all your items and determine your asking prices. Mark your calendars for **Friday, October 29th** and **Saturday, October 30th**. We are having a two day garage sale this year to provide everyone an opportunity to participate. You can participate either day or both – it is your choice.

New to the community? Our annual garage sale is a tradition here in the Cypress area, and it is a great time to sell your things and meet your neighbors. All you have to do is set up your garage sale at your home, and we will arrange the publicity and advertisement. It's that easy!
